ABOUT US

The team behind The Chaser newspaper and TV shows has decided that they want to fail in yet another artistic venture they know nothing about.

Taking its name from the team's TV production company, Giant Dwarf is an event space located in the 199 Cleveland St Theatre, which from 1983 to 2007 was the home of the Performance Space.

Giant Dwarf hosts a series of regular curated live events, showcasing a wide range of Sydney's most amazingly talented writers, comedians and performers. We also have various one off shows that are sure to keep you equally as entertained.
